

New Jersey Early Care and Education Alliance is a volunteer member organization established in January, 2010 and open to all groups to address the needs of the early care and education community.

Our organizational mission is to provide a forum to review, respond to and educate others on legislative and policy matters that impact our state.

The purpose of the Alliance is to address issues that affect the well-being of early childhood education, early care professionals, children and families throughout New Jersey.

The New Jersey Early Care and Education Alliance presents and recognizes individuals for the *Aletha R. Wright Award for Excellence in Early Care and Education*.
